AMJC POLICY

QUALITY POLICY

Keeping in line with the principles of Jain philosophy, all our deeds and actions aim at gaining valid knowledge (*prama*) through **valid sources of knowledge** (*pramana*), **perception** (*pratyaksa*), **inference** (*anumana*) and **testimony** *(shabda*)**.**

We are committed to the holistic development of our students by upholding the standards of quality in all aspects of education, research, and service. We assure quality in every dimension towards fostering the development of our learners through a detailed planning process, allotment of resources for various functions, and close interaction with our stakeholders.

Our commitment to transparency, compliance, and continuous improvement is reflected in our institutional goals, which serve as a guiding framework for excellence.

AMJC POLICY

INSTITUTIONAL GOALS

1. Foster independent thinking among learners thereby empowering them to become nation builders.
2. Provide affordable quality education to ensure accessibility for all learners.
3. Promote development of responsible citizens by nurturing human values, fostering inclusivity, promoting sustainability, advocating for gender equity, and imparting essential life skills to learners.

4. Facilitate seamless curriculum delivery with modern pedagogies that induce self –learning and life-long learning.
5. Create state-of-the-art infrastructure and a technologically advanced learning environment to enrich the educational experience.
6. Promote dynamic, academic immersive learning, enabling students to acquire 21st-century skills by designing and developing a learner-centric environment.
7. Collaborate with Industry experts and organizations to offer domain-specific learning experiences, ensuring effective students' progression.
8. Augment learners' success by upgrading and refining their skills to meet the demands of rapidly evolving world.
9. Create an ecosystem that nurtures incubation, innovation, research, and consultancy, that leads to the establishment of multidisciplinary centres of excellence.
10. Commit to maintaining high standards of ethical practices, transparency, and accountability in all operations.

We subject ourselves to both internal and external quality assessments, reporting our accomplishments to stakeholders to facilitate improvement as an ongoing process.
